**Director's Corner:**

**Library News:** Once again, thank you for all who attended the dedication of the CJ Flintosh Children's Library on Sunday, October 22<sup>nd</sup>, or took the time to visit on Monday, October 23<sup>rd</sup>. If you missed these opportunities, please know you are always welcome to come see the Library. We have Library hours with all the classes on Monday mornings, Thursday afternoons and Friday mornings. When the weather cooperates, and we can use the play area for Creative Movement, the Library will also be open the rest of the week. If you wish to add a star for your family, a friend or relative, you are always welcome to do so. If you wish to spend some time in this space, or need someone to talk to, please feel welcome. We had a meeting of those interested in being involved with the work of the Library ("Friends of the Library") the beginning of October and I hope to start including volunteers in this fun venture. If you have a little time and want to help out in the behind the scenes work, just let me know.

**Flu-vaccine:** Please send in the proof of vaccine (dr. print-out, or physician script) as soon as your child has this done. It is required for all children ages 6 months up to 3 years. Any child within these ages without the flu vaccine, would be excluded, by state mandate, from our program from January 1-March 31<sup>st</sup>. Often December dates are scarce for appointments, so please don't wait. We will not accept children back after the holiday break without showing proof in our records. Thank you.

**Remember, "FALL BACK TIME" on Sunday, November 5<sup>th</sup> at 2am. Set your clocks back one hour and enjoy the extra time.**

**School News:**

**It is that time to REQUEST an Application for 2018-2019 School Year:**

Families currently in the school will automatically receive an application for their next age group. All applications will be mailed to you in January.

If you have a younger child that you would like to have attend our school next year, you must let us know. Please email [wnskoffice@gmail.com](mailto:wnskoffice@gmail.com), write a note, or call the school office to have these applications mailed to you.

**Open House for Nursery School and Kindergarten:** We have two dates, November 7<sup>th</sup> and November 17<sup>th</sup> where we will have continual tours scheduled throughout the morning. We appreciate you helping us by passing the information on to neighbors, friends, relatives who might be looking for a program for the 2018-2019 school year. They can email [wnskoffice@gmail.com](mailto:wnskoffice@gmail.com) or call the school office to register for one of these two dates. If you would like more information on upcoming year for your child, you are welcome to come as well.

**Open House dates for the Kindergarten: November 15<sup>th</sup> at 7:30pm**, where we will allow time for a meet and greet with our Kindergarten team of teachers. The evening will also be an informative session of our program and a "bird's eye" view of the classrooms. An evite will be sent out to all 4-year old classes parents as the RSVP is very helpful. If you did not receive the evite and would like to attend, please just let the office know.
