**School News:**

**Music Program:** For the past 18 years Mrs. Clancy Lubrano has been our Music Teacher for our 3's, 4's, Almost 5's and Kindergarten classes. As most of you know, she was an amazing teacher! This fall she had taken a medical leave of absence and her position was filled successfully with a long-term substitute, Ms. Monica Fienemann. As of late November, Clancy made what was for her a difficult decision and has officially retired. I know you join me in thanking her for her many years of exceptional service to our school. Helping us through the Pageants and continuing now for all these classes, please welcome Ms. Abigail Schumer as our new Music Teacher. She is an accomplished musician with a very impressive background. It is exciting to see what this new chapter will bring to our school program!

**Winter is here! In case of school closing for inclement weather – Decisions are made with considerations for travel safety!** When bad weather is predicted, we follow the Summit School District. If Summit Schools close, you will be advised by text

alert, email; web-page will be updated (<http://www.cpc-school.org>). In case of school delays, generally we will open at 10:30am. The message sent out will be specific as to timing depending on the weather situation, and the driveway conditions at the school.

The balance of **TUITION for the current 2018-2019 school** year is due January 31<sup>st</sup>. Statements with your ending balance will be sent home with your child shortly.

**Telephone Conferences:** Our January phone conferences are optional. If you desire a telephone conference, please send in a note to your child's teacher requesting a time be scheduled for you. You will be notified by the class teacher if they wish to initiate a telephone conference with you as well.

**Outside Play:** We do go out and play every day with the exception of rain or when there is snow on the ground or the temperature is below 32 degrees. With the cooler weather, especially cooler mornings please make sure your child is dressed properly for the weather. It is important to have your children's name(s) in all of their jackets, coats, mittens, hats, etc.

### **Happy New Year from the Parents' Organization!**

We hope everyone continues to feel the spirit of the holiday and enjoy this special time of year with loved ones. As always, we have some great events to look forward to in the new year.
