In addition, large and fine motor skills will be a focus in their daily experiences at school. This is a fun and nurturing introduction to life outside of home.
2.5's 2 years old by March 31st Older 2 year old (Oct. - Feb. birthdate)	8:45 - 11:45	3 days M-W 2 days Th-F	
3's 3 yr old by Oct. 1st	8:45 - 12:00	3 days M-W 4 days M-Th 5 days M-F	These classes have a focus on independence and social skills. Developmentally appropriate activities and experiences focus on emergent reading, writing, math, art, music and science instruction. We follow the Handwriting without Tears curriculum to support the learning of letters, numbers, shapes, and colors. A balance of educational and playful school experiences as their educational journey begins in the 3's class.
4's 4 yr old by Oct. 1st	8:45 - 12:00	4 days M-Th 5 days M-F	These classes focus on Kindergarten Readiness Skills while continuing to build social skills, problem solving, independence, and fine motor skills. The classes begin focusing on specific academics such as letters and sounds, beginning sight words, math and science concepts as well as opportunities for art and music. They follow the PreK Handwriting without Tears curriculum to support correct formation of letters and numbers. The Almost 5's class follows the same focus as the 4's class, focusing on Kindergarten Readiness Skills. Though, there is an opportunity to target these children more specifically as they turn 5 early in the school year and are prepared developmentally for a faster pace of the curriculum. Includes lunch time at school.
Almost 5's Older 4 yr old turning 5 (Oct. - Jan. birthdate)	8:45 - 1:00	5 days M-F	
Transitional Kindergarten 5 yr old by Oct. 1	8:45 - 2:30	M-F	A warm, nurturing environment with extensive personal attention to students. We provide a balanced

			<p>program to prepare students for an academic Kindergarten. Teachers use the children's current stage of development to give them a year to grow socially and emotionally using Kindergarten standards as a guide to prepare them for the more academically focused Kindergarten program. The children's school day consists of purposeful activities with a developmental progression and allows for a variety of learning experiences. We strive to meet the developmental needs of each child and treat each as a valued individual.</p> <p><small>*The Reading Specialist supports the students in this class.</small></p>
